MEADOWS
GAIA
ART
GALLERY

Europeans and native North Americans first encountered each other at L'Anse aux Meadows... a meeting that made this beautiful place the centre of the world 1000 years ago. Now near that legendary spot, you can join in a celebration of the cultures and art of those peoples and their descendants... at the Gaia Gallery. Here you'll find one of the best selections of art and craft in Newfoundland.

Awe inspiring soapstone and moose antler carvings... intricate Swedish jewellery... haunting Innu teadolls... exotic sealskin slippers... dramatic watercolour and oil paintings... breath-taking local photography. There's also an excellent selection of books, Viking games and Newfoundland and Norse music, as well as souvenir clothing including polar fleece and tee-shirts... you'll find it all at the Gaia Gallery.

Our prices are reasonable because we deal with the artists directly!

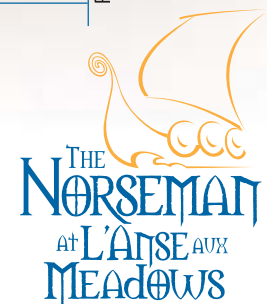

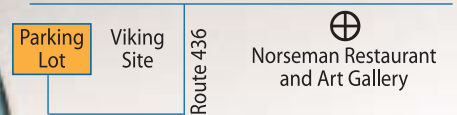

Open Daily 9:00 a.m. - 10:00 p.m.

And while you're at the Gaia Gallery be sure to visit the adjoining Norseman Restaurant for an unforgettable fine-dining experience.
